P.O. Box 130  
Audubon, NJ 08106

Dear Jennifer,

Please extend our thanks to your family and all of The Pink Tie Foundation members (and their family and friends!) for your generous contribution of \$10,000 in memory of Kate Grady Pergola to the Cooper Cancer Institute.

It was wonderful to meet and spend some time with your family and friends. What an amazing group - and what incredible work you do! It was a pleasure to hear about your successful fundraising efforts and how The Pink Tie Foundation supports the community. We are truly honored to be one of the beneficiaries of your hard work.

Through your donation we have created a special fund that will be used to provide direct support to breast cancer patients in financial need. This fund will be used to help women struggling with breast cancer with costs of care, such as co-pays, prescriptions and transportation, and basic needs such as utility bills and food. Cooper Cancer Institute staff members identify patients in need and provide allocations from this fund after all other outside resources for support have been exhausted.

Please feel free to call me, Dr. Somer or Beth Rachkis at any time if we can ever be of help to you, your family or any of Pink Tie Foundation members.

Warmly,

Generosa Grana, M.D.
