Dear Jennifer,

On behalf of Susan G. Komen for the Cure, thank you and Team The Pink Tie Foundation for participating in the 2008 Philadelphia Breast Cancer 3-Day and for raising \$58,011.95. Your extraordinary fundraising efforts made you one of the top team fundraisers of this year's event. Congratulations and thank you!

As the primary beneficiary of the Breast Cancer 3-Day, Komen for the Cure is committed to utilizing the funds you raised to support the research and community programs that will end breast cancer. We imagine the day when mammograms will be unnecessary, when survivors won't fear for the lives of their daughters, and when we are able to live in a world without breast cancer. Your effort and contribution enable us to take the steps necessary to make this vision a reality. Thank you for joining our promise to save lives and end breast cancer forever by empowering people, ensuring quality care for all and energizing science to find the cures.

Again, I want to express my sincere appreciation to you and your team members for believing in our promise and for investing in our work. Congratulations on your exceptional fundraising achievement. Because of your help, we are one step closer to finding a cure.

With sincere gratitude,
